Trendy and chic: ESSENTIAL 1032, Colour 5W71.

With its popular pebble look, ESSENTIAL 1032 satisfies the current trends. Thanks to its calming character across spacious rooms and featuring a palette of trendy colours, covering 15 different hues – from colourfully contrasting to classic elegance – the pearl-like loop satisfies the highest interior design standards.

Not only do the colours amaze – the highly twisted Mouliné yarn with frieze effect stands up to even the highest traffic. Moreover, thanks to its structure and two-tone patterns, this carpet is extremely easy to care for and less prone to stains. This makes ESSENTIAL 1032 particularly robust and perfectly suitable for high-traffic office and living spaces.

ESSENTIAL 1032 is available in broadloom with the width of 400 cm. It also shines with several labels – CE, Green Label Plus and GUT – and with Bestnote for its low room emissions (VOC).
