Hameln, Germany, August 2018.

Pinstripes are in. Now on heavily trafficked areas too. That's because the elegant ESSENTIAL 1036 carpet from Vorwerk flooring offers the legendary pattern in a total of 15 harmonious hues. The classic entry-level loop carpet enjoys high popularity, particularly for corridors, offices and living spaces.

Pinstripes at its best: ESSENTIAL 1036, Colour 5W42.

When pinstripes provide an endlessly elegant appearance, then it's a Vorwerk. Even on especially high-traffic areas in buildings or living spaces, the popular pinstripe pattern is the perfect choice. Thanks to its subtle stripes, which create an elegant effect over large areas, and harmonious colours, this carpet is ideal for any space. Fifteen different hues offer a huge selection of choices – ranging from tone-in-tone variants to contrast-rich combinations such as deep red with gold. ESSENTIAL 1036 discreetly blends into any interior design and is thus ideal for many areas.

ESSENTIAL 1036 is available in broadloom with the width of 400 cm and as a stable, bitumen and PVC-free acoustic tile with significantly improved low impact noise and acoustic values. It also shines with renowned labels – CE and GUT – as well as Bestnote for low room emissions (VOC).
