*The SUPERIOR 1064: Pure colour! Can also be combined with the new deluxe area rugs.*

If the SUPERIOR 1064 is one thing, it's colourful! Available in a range of vibrant solid colour options, this beautifully crafted velour carpet is a statement piece that leaves a lasting impression. But, as well as adding a burst of colour, this quality carpet creates a warm, cosy ambience that gives every room an inviting feel, making you want to stay and enjoy the comfort it affords. The surface of the carpet shimmers as you walk on it, cushioning your feet with its velvety gloss fibres. Its soft feel makes it perfect for living areas and bedrooms but, thanks to its durability, the SUPERIOR 1064 is also an excellent choice for high-traffic areas in the home.

Another advantage with the SUPERIOR 1064 is that it is not only available as broadloom but also as a deluxe area rug, which can be a striking

addition to any room. One of the most colourful products from the new [Best of Living Collection](#) from Vorwerk Flooring, this wonderfully luxurious carpet not only makes a statement but also sets new standards in flooring for the home – and is even recommended for allergy sufferers.
